Injuries sustained, conditions or diseases and their accompanying limitations

Tell us about the challenges and limitations you have. Include things like amputations, wheel chair, can't hike without assistance, unable to sit for long periods, can't climb into tree/ladder stand, etc. List any issues such as asthma, allergies, altitude sickness, diabetes, heart disease, any disabilities, etc. Our goal is to find a solution to any obstacles and to make sure we're prepared for anything else you're facing.

Any other limitations or special requirements, dietary restrictions

Let us know if you have trouble being around large groups or communal sleeping arrangements such as a camper/tent or small bunkhouse. List anything like fear of heights, inability to swim, if you have any allergies (include foods, drugs or first aid items). The more we know about things that potentially make you uncomfortable the better we will be able to provide an enjoyable and memorable experience for you.
