Hero Expeditions, Inc. (HEX) was founded on the belief that giving back to those that have sacrificed selflessly for all of us is the right thing to do. **Our goal** is to organize events that provide an atmosphere of camaraderie and fellowship among our participants. **Our mission** is to help create meaningful relationships that improve morale and promote healing.

At HEX we organize outdoor expeditions for active duty military members, veterans, law enforcement officers, firefighters, families of those killed in the line of duty, special needs individuals and more. We believe the great outdoors can be extremely therapeutic and we understand the importance of the camaraderie of being around those that have walked in your boots.
